

VCE VOCATIONAL MAJOR SPECIALISTS

Students complete units 1 to 4 (just like a normal VCE program) and will be required to complete both academic and practical assessment requirements.

It is anticipated the majority of senior secondary students will enrol in year 11 and complete the two year VCEVM.

Students can transfer into the VCEVM in year 12 and still successfully complete the VCEVM as long as they meet the minimum completion requirements listed below;

- 16 units for certificate completion over the 2-year period
- 3 VCEVM Literacy units (can be a VCE English and must include a units 3&4 sequence)
- 2 VCEVM Numeracy units (can be a VCE Maths)
- 2 VCEVM Work Related Skills units
- 2 VCEVM Personal Development skills units
- VET credits at Certificate II level or above (min 180 hours)
- Students must successfully complete a minimum of four Units 3 & 4 sequences
- VCE or VCEVM units can be included in the units 3&4 sequences as long as VCEVM completion rules have been met
