Work Related Skills All you need to know!

VCE VOCATIONAL MAJOR SPECIALISTS

Considerable changes to all WRS units sees a NEW improved course with fresh and exciting topics. The majority of course content from the previous WRS course has been removed and replaced and schools need to complete new structured and sequential content for WRS.

All WRS units include Areas of Study, Outcomes, Key Knowledge and Key skills and students will be required to understand both the theory and practical components of these units.

Some of the most notable changes to WRS include :

- Removal of all references to OHS from the NEW WRS curriculum
- Removal of all references to working in teams to plan and carry out activities (so no formal group based activity projects)
- Removal of all Risk Assessments
- Addition of a detailed and theoretical understanding of employment data including high, medium and low growth areas
- Addition of detailed research and theory of transferable skills and individual capabilities
- Exploration of employment areas, further education and job prospects
- Goal setting for future employment
- Addition of key details relating to structures in workplaces and legislation
- A detailed approach to the recruitment and interview processes including, pre, during and post interview

Our WRS materials are ready to go and for all your advice and resources, contact eduClick. We have already completed the hard work for you.
